STAY UPDATED

Add portraits of your new members and family changes to your Lifetouch online community and/or your printed directory.

Updating your printed directory:

- You receive one printed family update section for each printed directory in your original shipment.
- The newly photographed families will appear in the printed update.
- A roster containing the names, addresses and telephone numbers, etc. of all families since your previous directory is included.
- A printed family update section can include an adhesive edge (or three-hole punched for binder directories) so you can attach into your previous directory. *Note: Printed updates of over 16 pages may be provided in a separate book.*
- Submitted photographs of shut-ins, college students, etc. will be printed in the update section for $10 per submitted photo.
- Additional printed family update sections are available for purchase.

Updating your online community:

- The newly photographed families will be integrated alphabetically by last name.
- A roster containing the names, addresses and telephone numbers, etc. of all new families will be added.
- Submitted photographs of shut-ins, college students, etc. will be added online for $10 per submitted photo. *(If you are submitting a photo for a printed directory as well, this $10 fee is only collected once).*
